

THE BBC IS LOOKING FOR BRITAIN'S
MOST ENTHUSIASTIC
MAKERS, INVENTORS & ENGINEERS

mechanical marvels, crazy contraptions, workshop wonders!

Up and down the country, extraordinary things are being made, from back garden rollercoasters to homemade helicopters.

Have you engineered something extraordinary, or do you want to construct something spectacular soon?

Whether you're making and creating in your garden shed, workshop or bedroom, if you're a passionate builder, engineer or hobbyist inventor... we want to hear from you!
