100 Club Membership Rules

June 2012 – May 2013

The Club shall be named 'Chearsley Cricket Club 100 Club'. The aim of the Club shall be to raise funds to support Chearsley Cricket Club. The proceeds made from the 100 Club will be spent on improving the quality of practice and playing facilities for Junior and Senior cricketers at CCC. The Club shall be restricted to no more than 150 members. Membership shall be for the period of 12 months commencing 1st June annually. The subscription shall be £24.00 annually in advance, by cash, cheque or online – payable to 'Chearsley Cricket Club'.

Only members whose subscriptions are up to date shall participate in a draw. Membership may be taken up at any time during the year, and on payment of the first subscription is eligible for inclusion in the next draw; with the exception that in order to qualify for the rollover draws (June and December), payment of subscriptions for the month preceding the month of the draw must have been made.

A Management Committee comprising of the Chairman and three other members of the 'Chearsley Cricket Club' shall operate the Club. All information relating to the Club, including the date, venue and time of the draws, names of the management committee, prize winners' names, and amendments to Club rules will be published on either the Chearsley Cricket Club website or on the village notice board. The decision of the Management Committee on all matters is final. Should adequate membership not be taken up, the Committee reserves the right to apportion prize money on a pro-rata basis. The conduct of each draw will be as follows: All numbered balls 1-150 (less any not taken up) will be put into a suitable opaque container. The Draw Supervisor will confirm the reasons for any number(s) omitted from the draw. The balls will then be drawn by a person or persons who are not members of the Club. Members shall participate in 36 free draws for the prizes indicated as follows **(based on 100 tickets being sold)**:
