EDITORIAL

Welcome to the June edition of the Neighbourhood Newsletter.

The team have been visiting many of the schools in the area we cover to make sure that their Cop Card Scheme is working well and they are collecting all of the stickers. Buckinghamshire Year 6 (10-11yr old) students have been tasked to collect many different stickers by completing meetings with the Ambulance Service, Fire Service, Litter Picks, learning about recycling, and talks from the local Police team about subjects including Anti-Social Behaviour, Cyber Bullying and Knife Crime.

The winning School will have a visit to Lego Land, Windsor paid for and all of the schools we have helped have really given their best efforts and learned many new things from it.

We have been attending the different Fete's in the area including Long Crendon, Waddesdon and Boarstall to name but a few!!

Neighbourhood Action Group (NAG)

The NAG on 30th June went extremely well, it was a joint meeting with the LAF (Local Area Forum) and was chaired by Stewart. The main priority (Traffic Offences) was discussed and we are working on different operations to cover mobile phone, speeding and parking issues/offences etc.

Dave Smith from Highways gave an introduction about his role in the NAG and what his duties for the County Council entail. There was a good turnout and most of the members of the LAF came to our meeting first.

At some of the "Have Your Say" meetings and during the NAG meeting, it has been mentioned about the recent amount of farm thefts and how we could as an action group target our efforts to get the information about thefts etc around to this at times hard to reach rural community. The NAG decided to make a second priority of dealing with farm thefts etc and this will be discussed at the next and future NAG meetings.

Speed Enforcement

I have been using the speed gun in Kinsey during June and the Roads Policing team have helped by attending the village when the Neighbourhood Team are not available. There have been 30 fixed penalty tickets issued during the month, in the village, with 3 motorists being reported to Court for exceeding 70mph in the 40mph limit!!

Ford have now officially started their mobile VAS (Vehicle Activated Sign) project and there have been 7 fixed penalty tickets issued in the

village for speeds ranging from 37mph to 44mph.

I have had reports again from residents along Aston Road, Haddenham about the issues with speeding motorists and spent an afternoon stood outside St Mary's School. I issued 6 tickets including reporting one motorist to court for driving along the 30mph limit road at 54mph!!

Crime Figures

Did you know that Thames Valley Police publish the crime statistics for each neighbourhood? To access them go to the following web address;

<http://crimestats.thamesvalley.police.uk>

The crime statistics show only those crimes that have been reported to Thames Valley Police. The figures are not audited by the Home Office but are subject to supervision by the Force Crime Registrar.
