

## APRIL 2012 EDITION

Neighbourhood priorities are; Traffic Offences and Farm Theft

### THE TEAM

**Neighbourhood Inspector**  
Emma Garside

**Neighbourhood Sergeant**  
Bryn Scott

**Neighbourhood Specialist Officer**  
Dean Kingham

**PCSO**  
Sue Jones

**PCSO**  
Denise Grayburn

### Editorial

Welcome to the April edition of the Neighbourhood Newsletter.

Now that the clocks have changed and the days are getting longer we would like to re-iterate our crime prevention advice.

Please leave your houses and vehicles secure even if you're only away from them for a short time.

Leave all ground floor windows locked and secure to prevent easy access for burglars.

Don't leave valuables on show within your homes or vehicles, when you park your car don't try and hide items in the boot of your car as people may be watching you!

I'm aware that we have given this advice before but the Aylesbury policing area is suffering an increase in this type of crime at the moment and this can easily be prevented by following the above advice.

**PC Dean Kingham  
Neighbourhood Officer**

### Crime Figures

Did you know that Thames Valley Police publish the crime statistics for each neighbourhood? To access them go to the following web address;

<http://crimestats.thamesvalley.police.uk>

The crime statistics show only those crimes that have been reported to Thames Valley Police. The figures are not audited by the Home Office but are subject to supervision by the Force Crime Registrar.

### Anti Social Behaviour Issues

The incidents being reported over the last month and vastly down on previous months and hopefully this will continue. The weather is now improving by the day and residents will notice that parks and open spaces are being used more and more.

If you are finding that there are noise issues from pub gardens, parks or other areas please let us know and we can have a friendly chat with these people or business and improve your quality of life.

As always we can only help those that inform us of the issues in their area and this first step can make so much difference, even small issues can turn

### Speeding

The team have again booked dates to attend Ford village and help them with their Moveable Vehicle Activated Sign project and the tickets issued will be published at a later date.

The March speeding operation was changed to an ANPR (automatic number plate recognition) operation to highlight any stolen or uninsured vehicles as well as criminals using our local roads.

## Increase in Crimes?

March has seen an increase in crime around our area. We had reports of sheds broken into in Haddenham where high value cycles were the main target, although tools and garden implements were also taken. The sheds targeted were all around the village and these thefts then extended to other villages including Stone, Bishopstone, and Long Crendon.

There has also been burglaries overnight to homes in Long Crendon, Chearsley, Brill (where a vehicle was stolen), Cuddington, and most recently Stone, also, an attempt to enter a property in Oakley. On the same evening as the burglary in Chearsley, items were stolen from gardens in the same village and a vehicle broken into, plus a vehicle broken into in Cuddington.

In the early hours of 29<sup>th</sup> March, thieves targeted insecure vehicles in Worminghall and we are aware of at least six vehicles that had property stolen. We have also seen the usual thefts of lead and metal from farms and building sites around the area and a quad bike reported stolen from Cuddington and one from Oakley.

This level of incidents is very unusual and we would like to reassure you that the police have responded accordingly. Special police patrols have been targeting specific areas over 24hr periods and our forensic and intelligence teams have been working to find these thieves which has resulted in a suspect who may be responsible for the thefts from vehicles in Worminghall and the burglary in Brill.

We will keep you advised of any updates.

## Offenders Brought to Justice

An 18yr old male was issued with a £80 fine after a public order offence in Long Crendon where he lost his temper and kicked a police car leaving no damage.

A 26yr old male was charged with Assault after head butting a Police Officer in the face while being arrested, he has been bailed to attend Aylesbury Magistrates.

## Have Your Say Dates for April

### Haddenham Library –

Thursday 26th April 10.30am – 12.00pm

### Long Crendon Library –

Tuesday 17<sup>th</sup> April 3pm-5pm

## Contact Us
