### EDITORIAL

Welcome to the May edition of the Neighbourhood Newsletter.

I would like to introduce myself as the new police officer joining the Haddenham Neighbourhood Team. I have been warmly welcomed and I am keen to get out and about to meet local residents and businesses. Prior to this role I was a response officer based from Aylesbury and temporarily served in Buckingham area also. Prior to becoming an officer I worked in Public Protection specifically within a Domestic Abuse Unit and in addition I was a member of the Special Constabulary for the Milton Keynes police area.

After working within this area for a short time, it is quite apparent that the area is a pleasant and safe area to live and work. You will no doubt be aware of the financial cuts to policing nationally. However, please be assured that although Thames Valley Police is having to make cuts and a major force

restructure is in progress, the Aylesbury

Vale Police Area stands to gain an extra seventeen police officers over the next twelve months. Neighbourhood Policing Teams are to remain and your local officers & Police Community Support Officer's (PCSOs) will be remaining in post for the foreseeable future

Neighbourhood Specialist Officer*

### SPEED ENFORCEMENT

The village of Ford has been visited a few times last month and I have issued 9 tickets for speeding, whilst in that area I also issued a ticket for driving whilst on a mobile phone. I have stopped and spoken to many drivers who weren't over the limit for a ticket but were still driving in excess of 30mph.

Most of the drivers I speak with simply answer that they were not aware of the limit due to not taking notice of the signs or even not looking at their speedo whilst driving!! Please make sure that you are concentrating whilst driving through the villages and don't just expect there to be no hazards or police!!

### Neighbourhood Action Group

We continue to deal with the priorities set and have been issuing numerous tickets for parking obstructions in Haddenham, the residents of Sheerstock and Wykeham Way have been speaking with the team and their [parish council to try and deal with the parking issued caused by the railway station.

The next NAG meeting will be on Wednesday 1st June 2011 7.30 pm.

## COMMUNITY MESSAGING

### Have you joined up?

Thames Valley Police are committed to involving the community in the policing of the counties of Berkshire, Buckinghamshire and Oxfordshire.

We believe that by improving the flow of information between the community and its police we can all make a greater impact in the prevention and detection of crime and anti social behaviour.

Community messaging is not a new system – many people refer to it under the ‘old’ name of Ringmaster – which is the name of the IT system we use to send messages.

People can read information and sign up online at [www.tvpcommunitymessaging.org](http://www.tvpcommunitymessaging.org)

## Offenders bought to justice

1. A man has admitted responsibility to a number of burglaries around the Waddesdon & Haddenham police areas and is currently on remand.
2. A man from EYTHORPE ROAD, STONE has been charged for possession of cannabis.
3. A man from Essex has been cautioned for possession of cannabis in Long Crendon.
4. Two men from London have been given a police caution for theft of a boiler in Oakley.

## HAVE AN INTEREST IN SUPPORTING YOUR LOCAL POLICE?

If you have an interest in supporting your local police in a voluntary role we would welcome applications from members of the community from all backgrounds and experiences. This can be done either as a ‘volunteer’ assisting officers and staff in the police station (for example staffing the front counter). Alternatively, applications are welcome for the Special Constabulary. Special Constables (also known as Volunteer Police Officers) have the same powers and wear the same uniform as regular officers. Please log onto the force website under the ‘Join us’ section for further details.

## Crime Figures

Did you know that Thames Valley Police publish the crime statistics for each neighbourhood? To access them go to the following web address;

<http://crimestats.thamesvalley.police.uk>

The crime statistics show only those crimes that have been reported to Thames Valley Police. The figures are not audited by the Home Office but are subject to supervision by the Force Crime Registrar.

## HAVE YOUR SAY!

Have Your Say online - You can now send non-emergency messages to us using the online form that is available on the Thames Valley Police website. A number of people have already sent their concerns using this method. . For you to do that please follow the link
