About WHEELS to WORK

Wheels to Work is a moped loan scheme for young people (aged 16-19, or up to 25 in some circumstances) who find it difficult to access work or training opportunities because of a lack of transport. Eligible candidates will receive a 50cc moped for a period of up to 9 months, in return for a small monthly wear and tear fee.

What the scheme includes:

- *A fully taxed, insured and safety checked Yamaha YN50 moped*
- *Helmets and safety clothing*
- *Insurance, tax and breakdown cover*
- *Road safety training*
- *Compulsory Bike Training (this must be passed before the moped is released)*

All that we ask in return is that you pay a small monthly wear and tear fee, pay for your own fuel, wear the provided safety equipment and bring your moped in for monthly safety checks.

How to join:

You will need to be referred to the scheme by a relevant professional – for example a Connexions or Job Centre plus adviser. On receipt of the referral form you will be invited in for an informal interview (if you are under 18 we ask that a parent or guardian is present). All candidates will need to have organised their own provisional driving licence before joining the scheme.
